On Wednesday the election assembly will be held, after which students who have registered will vote during social studies classes. Those who have not had an opportunity to vote Wednesday will be able to do so during homeroom and study hall Thursday. Election results will be announced in the auditorium at 3:30 p. m. Friday, April 21.

## State Contest Tomorrow Means Big Day for Band

North Liberty Joins In Festival April 19

The Jackson Band will participate in the State Band Contest tomorrow at Fort Wayne. In Class "Double A" this year, the second highest grouping determined by school enrollment, the band will be playing with "some of the best bands in the country," says Director Tom DeShone. Having rehearsed about three months for the annual affair, the 105 musicians will play "Jubilee," "Symphony in B flat," and "Chorale and Capriccio."

Another up-coming activity keeping the band busy is the Jackson-North Liberty Music Festival, which will take place at 8 p. m. Wednesday, April 19, in the Jackson gym. In addition to both high schools, the Junior Highs participating are Hamilton, Greene, Marshall, Forest G. Hay, and Centre.

The program will include a variety of marches, overtures, and highlights from popular musicals. The North Liberty Dance Band and the Jackson Overtone Brass will play during intermissions.

ONE OF THESE BEAUTIES will be crowned Princess at the Junior Prom tomorrow night in the Jackson gym. Left to right are Debbie Gordon, Cindi Ward, Bonnie Gates, Pam Talcott, Cathy Heller, Vicki Arch, and Lauren Whisler.

as American Dependents' Schools operated overseas for children of American military and civilian personnel.

Development and maintenance of high standards of excellence, continued improvement of the educational program, effectiveness of instruction, and scientific and professional approach to the solution of educational problems are a few of the goals of the North Central Association.

# Minutemen Party Always Ready To Lead Student Body

"To represent the opinions and views of the Jackson student body and to instigate actions needed by the school" is the purpose of the Minutemen Party running for Student Council office, according to vice-presidential candidate Dan McGill.

Composed of Jim Powell, Dan, Pam Talcott, and Tim Kulik running for president, vice-president, secretary, and treasurer, respectively, the Minutemen Party was organized to "bring about reforms in certain existing conditions at Jackson."

Jim is a member of the Science Club Council, and is president of Drama Club. He was recently awarded membership in Thespians and National Honor Society. He is active in DeMolay and is president of his church youth group.

Dan is vice-president of the Latin Club and was selected to travel to Italy this summer as an Honors Abroad student in Latin. He is in National Honor Society, and will be a representative for Syria in next year's Model United Nations Assembly.

Pam has been a varsity cheerleader at Jackson for two years, and has been a member of the Latin Club. She is now on the Junior Prom court, and was on the Basketball Queen's Court this winter.

Tim is on the football, track, and wrestling squads and won the Wrestling Sectional for his weight division. He is a Student Council Senator, and an officer of his homeroom.

HERE ARE THE MINUTEMEN, another of the Jackson political parties. From left to right are their candidates — Dan McGill for vice president, Pam Talcott for secretary, Tim Kulik for treasurer, and James Powell for president. Mike Hostetler is campaign manager.

## Good Luck, Everybody

Jackson High School is fortunate indeed to have candidates of such high calibre for Student Council leadership. The qualifications listed in these pages would seem to indicate that whoever is elected will be worthy of the trust of the student body. Many have worked hard in planning this campaign, and now it is up to every voter to decide who may be the best leaders. Good luck to all.

## Tigers Win Baseball Opener But Muff Second Game Against Penn

By Tim Christman

Monday night the Tiger baseballers beat the Washington Panthers in the season opener. The Tigers found themselves down by two runs (2-0) going into the sixth inning. They managed to scrape up one run while leaving a man stranded on third. The Panthers were held scoreless in their half of the sixth. Then came the wild seventh.

After the Tigers tied the ball game at two apiece and with two outs and the bases loaded, Coach Joseph Kreitzman called on pinch hitter Doug Krawczyk to do the HITTING. And he did just that. Krawczyk promptly smacked a double over the left fielder's head to drive in three runs.

THE PANTHERS tried to retaliate but could muster only one run off relief pitcher Craig Marten. The final score was Jackson 5, Washington 3.

Again on Tuesday night the Tigers found themselves in the same position, only this time against the Penn Kingsmen. Unfortunately for the Tigers, there was no late inning rally — nor early inning rally — or any rally at all. The Kingsmen were leading 4-2 going into the final inning, and that's just the way the game ended.

BOTH TIGER PERFORMANCES were marred with numerous errors which allowed the opposition to score several key runs. The hitting was just as poor as the Tiger diamondmen struck out 15 times in the two ball games. Dennis Parrish started on the hill against Washington, giving up six hits and one earned run.

Marten came on in the fifth and allowed only three hits along with one earned run. John Mikko went the route against Penn, giving up seven hits while striking out seven. The Tigers had Wednesday and Thursday to improve on their rusty spots in preparation for Adams after school today.
